Dear Resident,

Community Survey

I am writing to inform you that a community survey will be launched to seek your thoughts on Anti-Social Behaviour (ASB) in the area. Your opinion matters and the results of the survey will help steer operational policing as we move forward.

This survey will be **live between 1st and 14th of December 2025**. It will take place on Warwickshire Connected, an online platform which we use to send updates to our residents via email or text.

To complete the short survey, simply direct your mobile phone's camera over the QR code below and then select the link which will appear on your screen. This will direct you to survey. There will also be an option to register to Warwickshire Connected. As a member you will automatically receive updates on policing matters and be able to vote on local priorities. This is a free service.

If you need help to do this or are unable to do so, but wish to take part, please get in touch by email or by calling 101 and providing my details (both are below).

Yours Sincerely,

Scan me
